ON WALL 302

Product sheet

MADE IN FRANCE

On Wall 302 is an on-wall loudspeaker designed for both Home Cinema and stereo usage. Its elegant, discreet design as well as outstanding sound performance make it an extremely attractive proposition. Made in France, its Flax speaker drivers deliver impressive levels of realism: voices are incredibly clear and the sound extremely detailed. Available in two finishes (White High Gloss or Black Satin), it blends seamlessly into interiors, around a television.

Key points

- Slim on-wall loudspeaker, attaches perfectly to the wall, around your TV (perfect for screens above 60")
- Outstanding sound performance and high power handling for uncompromising Home Cinema use
- Speaker drivers developed and manufactured in France
- Two finishes available: White High Gloss and Black Satin
- Very quick and easy to mount on the wall
- Compatible with the built-in 300 Series, Flax Dome and the Aria range for an all-round Focal system
- Stand available as an accessory (White or Black finish). Sold in pairs
